

PROJECT UPDATE | FEBRUARY 2, 2024

Project 5 (from 45th Street East to West of I-75):

Installation and final connections for the storm sewer system in the westbound lane of 44th Avenue East, between 69th Street East and 44th Plaza East, are now complete. Travel lane changes will be implemented as the contractor works to complete installation of final asphalt, striping, and signage.

On **Friday, February 2, 2024**, eastbound traffic on 44th Avenue East, from 45th Street East to Creekwood Boulevard, will be moved into its final configuration on the south side of the roadway. Eastbound and westbound traffic in this area may be reduced to one lane as needed to accommodate work activities. Eastbound and westbound traffic on 44th Avenue East, from Creekwood Boulevard to 62nd Street East, will be reduced to one travel lane to accommodate work activities. Traffic patterns on 44th Avenue East, from 62nd Street East to 45th Street East will remain unchanged.

Final restoration, minor adjustments, and cleanup will be ongoing throughout the month of **February 2024** as the contractor works to complete this segment of the 44th Avenue East Extension.

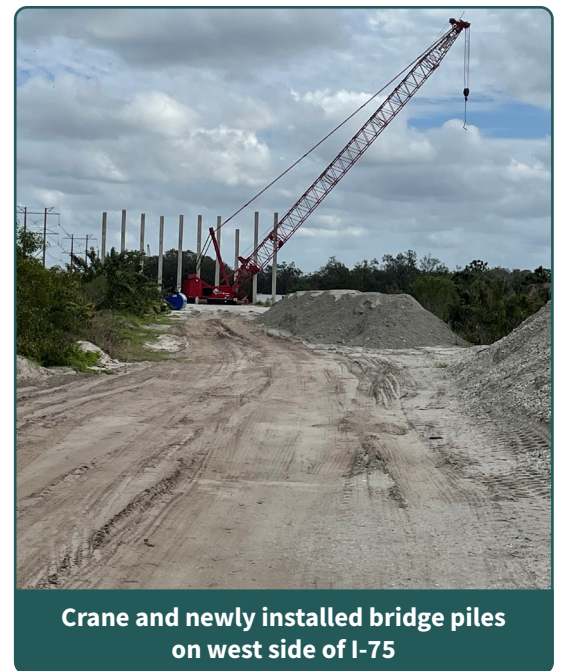

Project 6 (from I-75 to Lakewood Ranch Boulevard):

Leveling of the newly installed bridge piles on the west side of I-75 is now complete. Excavation and clearing activities east of I-75 are ongoing in preparation for the 44th Avenue East Extension over I-75. Throughout the month of **February 2024**, the contractor will be performing clearing and hauling operations on the east side of I-75, to include the area directly south of 41st Avenue East. This work will be conducted **Monday through Friday**, between the hours of **7 a.m. and 6 p.m.** Residents and businesses located along Lena Road and 41st Avenue East should anticipate construction traffic associated with this activity.

On **Sunday, February 4, 2024**, the contractor will be staging equipment in the median of I-75 to prepare for pile-driving operations. This activity will take place between the hours of **8 p.m. and 6 a.m.** and will involve truck loading and hauling in the area just north of The Ridge at Crossing Creek community.

Starting the week of **Monday, February 12, 2024**, the contractor will begin pile-driving operations within the median of I-75. Work will be conducted **Monday through Friday**, between the hours of **7 a.m. and 6 p.m.**

Residents and travelers are urged to exercise caution and be mindful of traffic patterns, construction vehicles/equipment, and materials staged in right-of-way areas.
