

# 44th Avenue East Extension Project from I-75 to Lakewood Ranch

MARCH 2024

## NOTICE OF CONSTRUCTION/LANE CLOSURE & TRAFFIC SHIFT

Beginning Monday, March 25 and continuing through late April 2024, the southern/outer eastbound lane of 44th Avenue East approaching Creekwood Boulevard will be closed as the contractor installs a dedicated right-turn lane at the intersection. The lane closure and traffic shift will be in effect until work is complete. Eastbound traffic will be maintained using the northern/inside eastbound lane to route travelers around the work zone. Motorists are asked to observe traffic patterns and remain mindful of construction activities and equipment staged in right-of-way areas.
