

PROJECT UPDATE | NOVEMBER 19, 2024

Project 5 (from 45th Street East to West of I-75)

A dedicated right-turn lane is scheduled to be constructed at the southwest corner of 44th Avenue East and 45th Street East beginning in late 2024. The overall project is substantially complete and open to traffic.

Project 6 (from I-75 to Lakewood Ranch Boulevard)

West of I-75: Roadway construction activities and lighting work are ongoing at the western end of the bridge over I-75, just north of The Ridge at Crossing Creek community.

I-75 Overpass: Partial-lane closures and traffic shifts will be in effect on the northbound and southbound lanes of I-75 through mid-December 2024 to accommodate nighttime bridge construction activities. Northbound and southbound traffic on I-75 is being maintained.

East of I-75: Construction on the embankment and retaining wall, drainage, and roadwork at the eastern end of the bridge over I-75 are continuing. Other work includes bridge construction over South Lake, as well as embankment and road construction, drainage, and utility work north of south Lena Road.

Construction activities are active **Monday through Friday, between the hours of 7 a.m. and 6 p.m.**, with Saturday and nighttime work to be conducted on an as-needed basis. Travelers are asked to be mindful of construction equipment and materials being operated and staged in right-of-way areas.
